## **Christian Aid Week 14 - 20 May 2023**

This climate crisis hurts us all. But people living in poverty fight the worst of it every day.

**Your gifts** this Christian Aid Week could help farmers in Malawi plant better seeds, secure a fairer price for the crops, and build happier futures for their children. Families in Malawi are paying the price of this global crisis. Food, fuel, fertiliser and school fees have doubled

in price in the last 12 months. And hard-working farmers are seeing their harvests fail as the climate crisis brings increasingly erratic weather.

From drought to flooding, climate change robs people of control over their lives. Your gift could help a community.

**Every donation counts – so please do go online to the Christian Aid Website and give generously.**

## **Celebrating the coronation of King**

**Charles III.** A big thank you to Julian and Hendrika who joined me in church to watch the coronation and to welcome our visitors. And thank you Miriam for baking vegan scones – they were delicious!

## **Next Steps following Welcome In Project: Your involvement is needed!**

The community audit which formed part of the Welcome In project identified areas of greatest local need, potential partners, and challenges for us as a church. The full report is available at the back of church for you to read.

The next steps could be broken down into three broad areas:

- Returning to economic stability: restoring pre-pandemic levels of income
- Continuing with light touch engagement activities, including: the jumble sales, Christmas Bazaar, summer fairs, engagement with schools, heritage open days, etc
- Applying for funding to improve the building and use of the building

**The PCC agreed that a Heritage Lottery Fund Steering Group would be established.** Mother Bernadette, Julian, Edward and Cara will form part of the group, along with any members of the congregation who wish to join.

**If you are willing to be involved, please talk to Mthr. Bernadette.**
